## IN-KIND DONATIONS

We work hard to use all money raised towards the kids and the projects we support. We run this organization as volunteers donating our won time and money because we believe in the capability of these kids that have great ideas and selfless hearts. They are our future of leaders. We do however work hard at keeping our costs low so any contribution you can make certainly makes a huge difference.

Thank you very much for your interest in donating to Kids Helping Kids. The following is a list of common items that we use for our projects and at our events and meetings on a regular basis for raffles. The best way to collect these items is by asking neighbors, friends and relatives. Have a gift certificate you haven't used? Contact us at [laurapage@kidzhelpingkids.org](mailto:laurapage@kidzhelpingkids.org) on how to get a contribution to us. A receipt for your charitable contribution will be provided. Thank You.
